

**Official Notice
Advertisement for Bids
Asphalt Pavement**

Pursuant to Wisconsin State Statute Chapter 985, notice is hereby given that the Town of Sumner, Barron County, Wisconsin, will receive sealed bids for the following project until 7:00 p.m. local time on Tuesday, May 13, 2025. Bids should be submitted to the Town Clerk, at 1550 24 1/2 St Rice Lake, WI 54868. Mark the envelope "Bid for Asphalt Pavement." Additional questions contact town clerk at clerk@tn.sumner.wi.gov or call 715-859-6250.

Bids will be publicly opened at the Town Board meeting that starts at 7:00 p.m. May 13, 2025 at the Sumner Town Hall, 1550 24 1/2 St, (Barron Co Hwy M) Rice Lake, WI. This is LRIP TRI project #18805. Bids will be awarded at a later date pending DOT approval.

PROJECT LOCATION: 27th St North, Beginning at 17th Ave intersection / Bridge. Paving shall be 20' over the bridge to the first farm field driveway on the right or east side of the road, narrowed down to 18' wide to just past the first residence driveway on the right, about 1580' from the 17th Ave intersection, ending just past the last driveway on the left or West, totaling about 2500' of road surface to be paved.

PROJECT DESCRIPTION

- Shape & compact the gravel base with a normal 2-percent centerline crown.
- Additional gravel if needed will be provided by the Town of Sumner.
- Furnish and install DOT 4 PG- MT 58-28 S Hot or Warm mix Asphaltic Pavement.
- The pavement shall start at a minimum of 20 feet wide over the bridge, narrowing down to 18' of a 2 1/2 inch compacted thickness with a 2% slope crown.
- Include paving, residential driveway easements.
- The finish shouldering shall be included in this bid.
- The work schedule will be mutually agreed to by the Town of Sumner and the successful bidder.
- Please provide estimated quantities with bid proposal :

Item No.	Description	Units	Quantity	Unit Price
	HMA Pavement, Warm-mix PG-MT 58-28s	Ton		

The Bidder's unit price bid shall include all costs associated with producing, hauling, and placing the material including, but not limited to, mobilizing and demobilizing labor and equipment required to produce, haul, and place the material; costs of quality control testing and reporting; costs to produce the material to the specifications; traffic control; costs of permitting, licensing, and reporting as required; all overhead, profit and administrative costs; and any other incidental items required for the work as specified. The work shall be completed in accordance with the

latest edition of the Wisconsin Department of Transportation Standard Specifications for Road and Bridge Construction.

The Town of Sumner reserves the right to reject any and all bids and to waive any informality in the bidding process or accept bids which best serve the interest of the Town.

Sandra Tomczak, Clerk
